THE CRIMS IN KUNTUCKY. STATESNEUTRALITY AND THE LINCOLN ADMIN-

I had a very friendly interview with the President. I had justified the attitude of Keniucky, on the ground that the President had himself conressedly violated the Constitution, and, therefore, had no right to call upon Keniucky to aid thin in this violation; and that the advance against his win columns. He did so by marching to Columbus, by necessity, the same cause, when it was a constitute of the 4th. Other movements a marked and unmistakable were made in Misouri.

This determination of the Federic, and the Galveston Civilian an encouraging account the Galveston Civilian and countries.

I -ads around Kentucky," to reach the rebellion, it was his purpose to leave her unmolested. no yielding her right to the position she occupied, but observing it as a matter of policy. make to me a definite statement of his policy, I would take pleasure in anasuncing it to the public, easiting him that in my opinion it would tend greatly to allay public excitement and to preserve the peace of the State

terward, the President wrote, in the presence that body to the proposed violation of our neunumber me the following paper. It bears all soil. he marks of the characteristic indirectness of President Lincoln's mind. He accounted for brand of tniamy on the brow of those who thus the absence of his signature, by saying that he did not intend a "proclamation," but to give many paper, on which I could base my statements of his policy, and which would be my evidence hereafter, if any difference should appear to the appear of the serious of the possession of those who will give up our State, arise relative to that policy; and he appeared to be a close approximation, to the truth:

The following estimate has been prepared from a variety of sources, and is presumed to be a close approximation, to the truth:

The following estimate has been prepared from a variety of sources, and is presumed to be a close approximation. to Mr. Criticancen, who was present to identify the paper in any way that he thought proper. This was done by the latter gentleman's subjective his initials. The following is the paper.

I wish to this with the least possible dis of the Confederate States and of Kentucky turbance or annoyance to well disposed people anywhere. So far, I have not send an armed force into Kemucky, nor have I any present purpose to do ao. I sincerely desire that no necessity for it may be presented; but I mean for any nothing which whall bereafter embar-

Though the paper is not generally characterized with directness, there is in it a positive | Paducah was occupied by the Federal s atement that no purpose existed in bit mind troops, not because Columbus had been taken to send any irrops to Kentucky. On this as- possession of by the Confederates, of which the very time the President gave me the paper, vixed the northern authorities to disregard our Mis out and mouth of Ohlo and Cairo

RUSSELVILLE, Ky., September 12, 1861.

GOV. MAGREFIN'S VETO MERRAGE. COMMONWEALTH OF KENT CEY, J EXECUTIVE DEPARTMENT, Sept. 10, 1 St.

Representatives in the General Assembly, and on three several occusions at the polts, distinctly assumed for the Sate a position of attact neutrality between the belligerest parties to the pending wat. That position I have sized to the pending wat. That position I have sized to the pending wat. That position I have sized to the pending wat. That position I have sized to the pending wat. That position I have sized to the pending wat. That position I have sized to the pending wat. That position I have sized to the pending wat. That position I have sized to the pending wat. That position I have sized to the pending wat. That position I have sized to the pending wat. The position of the sized to the pending wat. The position of the pending wat the policy, and the pure size of the pending wat. The position of the pending wat. The position of the pending wat the policy, and the pending wat. The position of the pending wat the policy, and the pure the pending wat. The position of the pending wat the pending wat the pending wat the pending wat the pending wat. The position of the pending wat the pend tain. The manifest advantage of such an atti-tude and the fatal results of its abandonment. The fleet left Cairo at mulnight. Your cor-prayers and tears; and it is not presum the General Assembly the prompt passage of even to the field oncers in command the for He it is that shall tread down our energy resolutions requiring both beligerents to keep general, as it will be accomplished before this for He it is that shall tread down our energy miles." neutrally which the people of Kentucky, with Gen. Grant intends to land the two regiunexampled unanimity, is good faith, desire to preserve. I regard the simultaneous camp them and occupy that place, to stop the occupation of Paderah by the Federal troops, trade carried on so extensively with the rebel's closet. Thus from Maryland to Texas, from and of Coumbus ty the Confederate forces, as squally paloible and open violations of the channel now left. Reliance has been placed aball the sir be stirred with appeals to prayer neutral rights of Kentucky. Unless, therefore, it is the purpose of the General Assembly course is left in order to make the blockade in attempts to abandon entirely all preteries of neutrality and to commit Kenneky to active co-operation with the United States government, in the prosecution of the war, by surrendering her and the occupation of Paducah will be sanctain to the unconditional occupation of the tond by an act of the Legislavire. The act will be verted of course by Gov. Maconing other. Manifestly, a resolution requiring the withdrawal of the army of one beingerent obedience to the subjoined joint resolution adopted by the General Assembly of the com-

you, but now take occasion again sarmeatly to ther soil anconditionally." recommend the passage of resolutions urging upon each government the withdrawal of their respective forces, and the future observance of the neutrality of Kestneky; I do not doubt that such action upon your part would be respected by both the belligateous and thereby.

In testimony whereof, I have harden to the south of the commonwealth to be affixed.

Done at Frankfort, this 13th day of the commonwealth. spected by both the belligerents, and thereby of the commonwealth. the peace of our State oreserved.

ple, will not only result in making Kentucky the theater of long military operations, but will ALIEN ENIMIES. The Cleveland (Tenn.) consideration and mining operations carried on produce and be followed by civil war at home, Bonner, says: I respectfully return to you the tenuistions, From the Lameville Courier of the 14th inst }

The Violation of Kenticky Neutralioverlanking the manifold violations of the neutral position of Kenticky by the United States,
prior to the occupation of Columbus by the
Confederate troops, and ignoring the published
facts relative to that movement, the friends of
the administration are chaptently indignant at
what they pretend to think an unrailed for,
unwarranted, and altogether unjustifiable ontrage perpetrated on our soil, and against the
manufacts and the soversignty of the State.

In the transport of the does
not acknowledge and submit to the isws of the
Confederacy, that it is presumed that he owes
altegiance to another country, and therefore,
be is an alter enemy, and comes within purview of the law respecting alter enemies. It
is time, we think, for men to quit swearing
that they will never submit to or acknowledge
the laws of the Confederace States, unless
they want to legislate themselves out of house
and home.

Two respectable citizens of Boone county
